Re: Lower Darby Creek Area Superfund Site

Dear Ms. Prisk:

The letter serves to confirm our telephone conversation of earlier today whereby you granted L-3 Communications Corporation an extension of time to respond to the EPA's October 3, 2001 Information Request for referenced Site. On behalf of SPD Technologies, L-3 Communication's response and all supporting information is due on or before December 15, 2001.

I will contact you again by the end of this month to inform you of our progress. In the interim, please do not hesitate to contact me with any questions in this matter.

Very truly yours,

A handwritten signature in black ink, appearing to read 'David Sweet'.

David Sweet
